

## Sealable Open Head Drums

OUR Dura-LIFE® Drums are the most versatile, durable and reusable on the market. Our drums require no re-straightening or rework as compared to steel drums and with the heavy constructed walls, they will outlast a blow molded drum manytimes over. Applications include shipping or storing chemicals, oil products, cleaning products, industrial chemicals, concrete chemicals, inks, food products, commercial detergents and many other uses. our Dura-LIFE® drums are available in Tight Head, Sealable Open Head and Slip on Lid styles to meet your specific application. the Sealable Open Head Drum comes standard with a 304 grade stainless steel drum ring. Our drums meet FDA specifications and are lightweight to reduce your shipping costs.
