

Econo Skid and Tank Units

This sturdy unit is constructed with heavy gauge steel side channels and heavy wood floors, overlaying a steel constructed frame, providing a quality skid unit at an economical price. The patented Dura-LIFE® "Loaf" designed skid tank provides a very low center of gravity for stability in fork lifting and transportation. A recessed sump is molded into the tank for complete drainage. All units come complete with gallonage indicator, outlet fitting, fill lid, E.P.D.M gasket and threaded vent plug for a positive seal.

Part Number	U.S. Gallons	Length	Width	Height	Appr. Wt. (lbs.)
U-0210-ESM	210	50"	46"	40"	280
U-0300-ESM	300	50"	46"	49"	395
U-0500-TES	500	50"	46"	79"	555
U-0800-ESM	800	80"	72"	54"	680
U-1200-ESM	1200	80"	72"	71"	780

Skid Tanks

The Econo Skids, Deluxe Skids and Dura-LIFE® "Loaf" designed skid tanks can be purchased separately, but will not with all of the fittings provided with the complete unit. Please contact Hastings Equity for more details.
